Melissa Rudd posted:

I have no words to explain how I feel at this moment .My brother did things that I thought I could never forgive him for but after a struggle of acceptance and will the strength of God , I was able to Forgive him .I love my brother and for this to happen to him the way it happened , I guess God was just ready for him . It wasn't a intentional suicide , so I know he is in Heaven with my Daddy and my Sister .
