Sierra was one of my closest friends, she was a girl you could hang out for hours and never get tired of she was someone that would listen and never would judge you and give you the greatest advice she was someone I could call a friend when I needed her, she had some big dreams and she was so smart, I wouldn't be near as where I am now without her ❤️ R.I.P Sierra thank you for being such a great friend and being a great listener, you'll definitely be missed by so many people, I miss you oh so much, until we meet again ❤️
